

Facial Acupuncture

“Let your inner beauty, vitality and serenity shine through.”

Facial Acupuncture has been used as part of Traditional Chinese Medicine in the Far East for thousands of years, to restore, promote and maintain positive health and beauty.

Facial Revitalisation Acupuncture

It is a safe, totally natural alternative to surgical procedures and fillers. Many people are increasingly choosing it as a safe method of facial enhancement and wellbeing. Facial Acupuncture treats the whole person; and also aims to slow the aging process from within.

A course of approximately 6 – 12 treatments is recommended. Following the initial course, treatments of once a month can prolong the results. The whole procedure is extremely relaxing and therapeutic.
